1. BACKGROUND

Mentor Home Loans India Limited (hereinafter referred to as “the Company” or “NBFC-HFC” or “Lender”) is a Public Limited Company incorporated under the provisions of the Companies Act, 1956 and registered with the National Housing Bank (“NHB”).

The RBI on May 05, 2021 vide its circular no. RBI/2021-22/31 DOR.STR.REC. 11/21.04.048/ 2021-22 (“**Resolution Framework – 2.0**”) has released guidelines for NBFCs on implementation of resolution framework for COVID-19 related stress.

Earlier, the Reserve Bank of India vide its circular DOR.No.BP.BC/3/21.04.048/2020-21 dated August 6, 2020 on “Resolution Framework for COVID-19-related Stress” (“**Resolution Framework – 1.0**”) had provided a window to enable lenders to implement a resolution plan in respect of eligible corporate exposures without change in ownership, and personal loans, while classifying such exposures as Standard, subject to specified conditions.

The resurgence of the COVID-19 pandemic has led to incremental financial stress for borrowers nationwide that may impact the recovery process and create new uncertainties. The resultant stress can potentially impact the long-term viability of many Companies, otherwise having a good track record, due to their debt burden becoming disproportionate relative to their cash flow generation abilities.

Considering the above, the RBI provided a second window under the Prudential Framework and enabled the lenders to provide a resolution framework to the eligible borrowers for repayment of their loan by way of restructuring the loan or extending the tenure for repayment of the debt. Accordingly, the Company proposed to adopt this Policy on Resolution Framework for COVID-19 related Stress (“the Policy”) with approval of the Board of Directors.

2. OBJECTIVE OF THE POLICY:

The objective of the policy is to provide a framework for implementation of viable resolution plans for eligible borrowers, ensuring that the resolution under this facility is provided only to the borrowers having stress on account of COVID-19. This policy details the eligibility of borrowers in respect of whom the Company will consider the resolution and the due diligence considerations for implementation of the resolution plan as well as the system for redressing the grievance of borrowers who request for resolution.
